**From the Publisher** Caught in a violent storm, Lisa and her three friends take refuge in an old deserted house. Inside are strewn odd tricks and gadgets-the props of a practiced magician. Doors slam shut. The phones go dead. A ghostly hand creeps across the mantel. But the group's fascination at these effects quickly turns to horror.

Lisa has always dreamed of being a magician. Now her life and the lives of her friends-depend on her skill. Because one by one the tricks are becoming more sinister, luring the group closer and
