**Description:**

Written for serious practitioners, Marian Green's *Witch Alone: Thirteen Moons to Master Natural Magic* guides those who wish to learn the "old religion" without the aid of a coven. Densely written in a serious tone, *Witch Alone* is nonetheless an inspiring and poetic read. Exercises at the end of each chapter are designed to take a full 28 nights to accomplish, and are designed to progressively lead one down the path to success. Worshippers of the goddess and those interested in exploring the deeper aspects of their own souls will find this tome deeply informative, but for the neo-pagan

committed to learning solitary witchcraft, *Witch Alone* is a must-read. --P. Randall Cohan

**Review** "A must-read." P. Randall Cohan "Invaluable to the newcomer to paganism." *Mystical Realms* --This text refers to an alternate edition.
