Description:

About the Author JOLENE WEARS JUVENILE T-SHIRTS, worn-out chucks, and eats too much chocolate. She writes. A lot. She makes up words, drinks Shirley Temples, and suffocates a little without her iPod. After college she taught middle school math with her degree in political science and French and now lives in Alaska with her two kids, husband, and water-loving cat. Life is good. WHEN KAYLEE BALDWIN ISN'T WRITING, she's usually chasing after her four children, checking her email, trying to get motivated to train for that race she shouldn't have signed up for, hanging out with her pretty awesome husband, and reading whatever good book she can find. She graduated from Arizona State with degree in English Lit. Her published books are *Meg's Melody* and *All I Want*. Kaylee loves hearing from her readers.

RACHAEL ANDERSON IS THE AUTHOR of four published books: *Divinely Designed*, *Luck of the Draw*, *Minor Adjustments*, and *The Reluctant Bachelorette*. She's the mother of four and is pretty

good at breaking up fights, or at least sending guilty parties to their rooms. She can't sing, doesn't dance, and despises tragedies. But she recently figured out how yeast works and can now make homemade bread, which she is really good at eating.
