### Description:

**"Hi, I'm the guy who reads your e-mail, and also, I love you . . . "**

From the award-winning author of *Eleanor & Park*, *Fangirl*, and *Landline* comes a hilarious and heartfelt novel about love in the workplace.

Beth Fremont and Jennifer Scribner-Snyder know that somebody is monitoring their work e-mail. (Everybody in the newsroom knows. It's company policy.) But they can't quite bring themselves to take it seriously. They go on sending each other endless and endlessly hilarious e-mails, discussing

every aspect of their personal lives.

Meanwhile, Lincoln O'Neill can't believe this is his job now- reading other people's e-mail. When he applied to be "internet security officer," he pictured himself building firewalls and crushing hackers- not writing up a report every time a sports reporter forwards a dirty joke.

When Lincoln comes across Beth's and Jennifer's messages, he knows he should turn them in. But he can't help being entertained-and captivated-by their stories.

By the time Lincoln realizes he's falling for Beth, it's way too late to introduce himself.

What would he say . . . ?
