Description:

Review Praise for Faith Hunter:

“Faith Hunter has created one of my favorite characters, ever. Jane Yellowrock is full of contradictions.”—*Fresh Fiction*

“A lot of series seek to emulate Hunter’s work, but few come close to capturing the essence of urban fantasy: the perfect blend of intriguing heroine, suspense, [and] fantasy with just enough

romance..."—*SF Site*

"Jane Yellowrock is smart, sexy, and ruthless."—*New York Times* Bestselling Author Kim Harrison

About the Author A native of Louisiana, **Faith Hunter** spent her early years on the bayous and rivers, learning survival skills and the womanly arts. She liked horses, dogs, fishing and crabbing much better than girly skills. She still does. In grade school, she fell in love with fantasy and science fiction, reading five books a week and wishing she could "write that great stuff." Faith now shares her life with her Renaissance Man and their dogs in a Enclave of their own.
