Description:

Review The car is magical. So is the book. Vogue From the same stable as Thunderball et al: same excitement, same wonderful imagination. The car really lives Scotsman Super-wicked villains ... hairsbreadth escapes --Telegraph --This text refers to an out of print or unavailable edition of this title.

From the Inside Flap Ian Fleming, best known for his James Bond novels, wrote only one children's book—and it is a classic! Chitty Chitty Bang Bang is the name of the flying, floating, driving-by-itself automobile that takes the Pott family on a riotous series of adventures as they try to capture a notorious gang of robbers. This is a story filled with humor, adventure, and gadgetry that only a genius like Fleming could create.

From the Hardcover edition. --This text refers to an out of print or unavailable edition of this title.
