**Description:**

**From Library Journal** Though not out of print, this popular title is being added to the venerable "Modern Library" line to coincide with a PBS Masterpiece Theatre miniseries. Along with the full text, this edition includes an introduction by A.S. Byatt. All that for \$15 makes this a bargain. Copyright 1994 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

**Review** 10 years after reading the novel, I am still finding new things to admire. Times Higher
