**Description:**

A heartwarming picture book tale of the power of the small, from bestselling author and retired NASA astronaut Commander Mark Kelly.

Astronaut Mark Kelly flew with "mice-tronauts" on his first spaceflight aboard space shuttle *Endeavour* in 2001. *Mousetronaut* tells the story of a small mouse that wants nothing more than to

travel to outer space. The little mouse works as hard as the bigger mice to show readiness for the mission . . . and is chosen for the flight! While in space, the astronauts are busy with their mission when disaster strikes—and only the smallest member of the crew can save the day. With lively illustrations by award-winning artist C. F. Payne, *Mousetronaut* is a charming tale of perseverance, courage, and the importance of the small!
