Description:

Review "I love your books (personally and professionally). As the mother of

an almost-four-year-old and a one-year-old, I am working on incorporating PD ideas into my parenting, and we look forward to starting family meetings soon!”

—Janet Frick, associate professor, Department of Psychology, University of Georgia

“The Positive Discipline series has empowered me and my husband to be the kind of parents we want to be day-in and day-out in the face of any and all circumstances. What really struck a chord . . . is that the concepts are simply and clearly presented chapter by chapter in easy-to-read language regarding real-life everyday scenarios. Thank you very much for the contribution you have made to my family’s lives.”

—Mary S. McMahan

“Thank you so much for all of the wonderful parenting tools—we have a much happier family since discovering your books!”

—Krista Schelhaas
