Description:

As of January 1, 2016, Marriage and Family Therapist (MFT) Interns in California are required to take the state's MFT Law and Ethics Exam in their first year of intern registration. Currently-registered interns need to take the test before their 2016 or 2017 renewals, depending on the intern's specific renewal month. This text is designed to prepare you for the California MFT Law & Ethics Exam. It is quick and efficient, focused squarely on the information you need to know for the

test. It addresses each of the 121 "knowledge statements" the licensing board uses when developing the exam itself. Using this book can help you go into your exam confident and well-prepared.
