Description:

About the Author Liliana Hart is a bestselling and award-winning author in both the mystery and romance genres. After starting her first novel her freshman year of college, she immediately became addicted to writing and knew she'd found what she was meant to do with her life. She has no idea why she majored in music. Liliana is an avid reader and a believer in all things romance. Her books are filled with witty dialogue, steamy sex, and the all-important happily-ever-afters her romantic soul craves. She lives in Texas with her husband and four children, and they occasionally let her meet her deadlines.
