Description:

From Publishers Weekly Santagati, a former model and admitted bad boy who has appeared on The Oprah Winfrey Show and The View, has expanded on his relationship advice enterprise, AskSteveSantagati.com, to make this guidebook to dating and taming the wild male. Dissecting all aspects of the bad boy lifestyle, including lessons like "How Bad Boys Bring Out the Best in Women" and "Porn Explained," Santagati takes women through every step of the bad boy's process, from

hunt to sex to relationship to "endgame." Despite some tough love ("The Myth of the Nice Guy") and blatant boorishness ("How to Clothe Your Chest"), Santagati doesn't grate or insult, coming off as no more than an experienced, confident man who loves women. Indeed, he's the guy "who you won't even know is trying to pick you up until you're leaving his apartment the next morning," and he provides brief lessons in spotting and avoiding the players and misogynists among the populace. Often direct, but never above goofy humor or cheesy sentiment, Santagi may not "reveal everything that you need to know to successfully date and have relationships with men," but his short, easy-to-digest chapters make a perfect way to browse away an afternoon, gain some perspective and try narrowing the age-old gap between the sexes.

Review "Steve Santagati has done it again! He brilliantly shares the secrets men don't want women to know about them. It's like having a cool, best guy friend in your back pocket. This book is a **MUST** have for any woman who wants to know how men think, and, more importantly, have the upper hand in winning over the man of their dreams."

—Dr. Robi Ludwig, author, psychological commentator, and host of TLC's *One Week to Save Your Marriage*

"Steve is definitely a man's man! I've seen him in action, and he knows what he's talking about when it comes to dating and relationships. I'm sure The MANUAL will become every woman's *mible* (a Bible on men)!"

—Rachael Ray, #1 New York Times bestselling author and TV personality

"Steve has opened a real can of worms with The MANual. It's going to be much easier for women to traverse the dating world after they read this...and much tougher out there for the bad boys!"

—Molly Sims, star of the hit show "Las Vegas"

"[Santagati's] short, easy-to-digest chapters make a perfect way to browse away an afternoon, gain some perspective and try narrowing the age-old gap between the sexes."
