Description:

Review "Cordair spins an intriguing tale with a small cast of well-drawn and believable characters. And he manages to make an interesting and timely political point in the context of a police investigation and a love story." -- *The Objective Standard*

"...Read it. It has danger and suspicion and adventure. It will give you all the pleasure and impact of a This American Life monologue. As Small Bites go, this is the real deal." - *guerillabookworm.com*

"If you only have time for a small bite of excellent reading--this is it. The writing, the style, the pace

all created a very yummy story that satisfied the busy reader in me. I am now a fan and I can't wait to read more from this author." -- Nakia R. Laushaul, author of *Running from Solace*
