Description:

The premier study Bible used by scholars, pastors, undergraduate and graduate students, *The New Oxford Annotated Bible with Apocrypha*, featuring a protective two-piece box, offers a vast range of information, including extensive notes by experts in their fields; in-text maps, charts, and diagrams; supplementary essays on translation, biblical interpretation, cultural and historical background, and other general topics.

Extensively revised--half of the material is brand new--featuring a new design to enhance readability and brand-new color maps, the *Annotated Fourth Edition* adds to the established reputation of this essential biblical studies resource. Many new and revised maps, charts, and diagrams further clarify information found in the Scripture text. In addition, section introductions have been expanded and the book introductions present their information in a standard format so that students can find what they need to know. Of course, the *Fourth Edition* retains the features prized by students, including single column annotations at the foot of the pages, in-text charts, and maps, a page number-keyed index of all the study materials in the volume, and Oxford's renowned Bible maps. This timely edition maintains and extends the excellence the *Annotated's* users have come to expect, bringing still more insights, information, and perspectives to bear upon the understanding of the biblical text.
