Description:

"But what about Leon?" Now, in this new story that bridges the gap between *Birthmarked* and *Prized*, Caragh M. O'Brien answers her readers' most common question with a tale of suffering and determination from Leon's perspective. Be warned. The story is a spoiler for the first book in the award-winning trilogy. This promotional e-book includes this exclusive bridge story, as well as a teaser chapter for *Prized*, book two in the Birthmarked trilogy, available wherever e-books are sold November 2011.
