Description:

"I'm British, so I'm medically dead inside, but even I can't help but open up whenever I talk to Marc. He uses his honesty like a scalpel, cutting himself open in front of anyone he's talking to, and in doing so, invites you to do the same. "

—John Oliver

Each week over a million and a half listeners tune into WTF with Marc Maron to hear Marc and a guest do something remarkable: talk.

Waiting for the Punch is not simply a collection of these interviews, but instead something more wondrous: a running narrative of the world's most recognizable names working through the problems, doubts, joys, triumphs and failures we all experience. With each chapter covering a different topic: parenting, childhood, relationships, sexuality, success, failures and others, *Punch* becomes a sort of everyman's guide to life. Barack Obama candidly discusses the challenges of the presidency, and the bittersweet moments of seeing your children grow up and away from you. Bruce Springsteen speaks on the dual nature of desperation to both motivate and devastate. Amy Schumer recounts the pain of a parents' divorce.

At once laugh-out-loud funny, heartbreakingly honest, joyous, tragic and powerful, *Waiting for the Punch* is a book to be read from cover to cover, but it is also one to return to again and again.
