#### **Description:**

Durrae Johaneck (Yellowstone Cookbook) makes What I Saw in Yellowstone fun for young people to find and identify the parks most frequently seen plants, animals, geothermal features, and more, whether they are driving park roads, resting at pull-offs, or hiking. The books is packed with color photos by Christopher Cauble (A Montana Journal), lively descriptions, fun guess what factoids, and precise where-to-see-it directions. Readers can check off what they saw and write notes about when, where, and how they saw it, turning the book into a great journal of their Yellowstone trip to share

with friends and classmates back home.
