**Description:**

**About the Author** M. Wylie Blanchet (1891-1961), aka "Capi," was born in Montreal, Quebec, and married to Geoffry Orme Blanchet. In 1922, Geoffry moved his family to Vancouver Island, and when he died in 1926, Muriel took their five children on summer cruises along the British Columbia coast. It was these travels that became her inspiration to write The Curve of Time.
